

ALLEN GETS NO PAY

His Bill for Services on Behalf of Fred Leonard.

REJECTED IN PROBATE COURT

Judge Perkins Assigns Some Potent Reasons for Making His Decision.

Judge Perkins made a decision yesterday on the claims of various attorneys against the Fred Leonard estate. The claim of N. P. Allen for services to Fred Leonard was disallowed for the following reasons: "It appears to the court that the position taken by the attorney for Fred Leonard's guardian is correct, and that Mr. Allen did not act in good faith as counsel for Mr. Leonard, but that he acted with ulterior motives and really in behalf of other persons. It appeared upon his own admissions that he aided and abetted Fred Leonard in putting himself beyond the jurisdiction of this court in defiance and contempt of the order of court. Thereupon Mr. Allen is in no position to ask aid from the court in collecting his charges for services, such action being derogatory to the dignity of the court and against public policy."

Escorted on a Technicality. Tomaso Ezzo, charged with incest, was released yesterday on the ground that the girl in question was not his own daughter, but the daughter of his wife by another husband. Judge Burlington held that he could not be held on that charge. Another complaint will be made against him for rape.

Court Notes. The inventory of the estate of the late John Mohrhard was filed yesterday. It shows that he died possessed of \$66,876 worth of property, \$10,000 of which was real estate. He left about \$6,000 of bad accounts in his business, and \$7,000 uncollectible notes.

Dwight Brooks, one of the trustees of East Grand Rapids, made complaint yesterday against Henry Huber for keeping his back garden open Sunday. It is understood that all the other places were closed or said nothing but "soft" drinks.

The inventory of the estate of Rochus Vandenberg was filed yesterday. He left an estate valued at \$13,333.33. It consisted of about twenty mortgages and notes given by various persons for borrowed money.

E. D. Constock was appointed to defend Huber Schul in the superior court. Schul is charged with buying a watch on the installment plan and skipping the country before it was paid for.

The will of Janna Aldenboom was filed yesterday. She left all of her property to her husband, to hold as long as he lives. At his death she gives her property to various persons.

John Mustie, who resisted Sergeant Wells a few evenings ago, was arraigned in the superior court yesterday and pleaded guilty. Sentence was deferred.

The case against Jerome Lee for keeping his saloon open after hours was continued over the term in the superior court yesterday.

A petition was filed in probate court yesterday, asking for the admission of Frederick Bischoff to the asylum at Kalamazoo.

Mrs. George L. Quimby has applied to the probate court for an allowance of \$20 per week pending the settlement of the estate.

The inventory of the estate of Eliza Peters of Byron township, filed yesterday, shows the estate worth about \$1,000.

The arguments in the dock line case were concluded yesterday and the cause was taken under advisement.

Heleen Tubbs was divorced yesterday from Chas. Tubbs on the ground of desertion.

Mothers and Daughters.

Over twelve years I was afflicted with very serious female difficulty and for the last sixteen months was under treatment of three of the very best physicians that money could employ. Under their skillful treatment I gradually grew worse until they decided they could render me no permanent help. One of my friends persuaded me to try a bottle of Dullam's Great German Uterine Tonic, and after taking three bottles, can say I am in better health than I have been for twenty years and am now 50 years old, but feel as young as at thirty.
